

Robotics & Design

- Day 1
 - Define exhibition
 - Initial ideas
 - Planning of project - (Gannt chart)
 - Roles of team members
- Day 2
 - First concept
 - Storyboard
- Initial BOM
 - Order BOM
- Day 3

Define
 - Shape
 - Behaviour
 - Technical aspects
 - Finalise concept in detail

BOM developed
 - Order BOM
- Day 4
 - First modules of the first prototype
- Final BOM
 - Order BOM
- Work on prototype
 - Hardware
 - Software
 - Initial model
- Day 5
 - Deliver first running prototype
- Develop prototype
 - Hardware
 - Software
 - Modelling
- Packaging
 - Graphics
 - Model
 - User testing
- Day 6
 - Deliver running prototype
- Day 7
 - Video
- Deliver report
 - Development of robot
 - User manual
 - Technical manual
 - Final presentation
